Request to Donate Annual Leave to Leave Recipient Under the Voluntary Leave Transfer Program

I request that annual leave be transferred to the leave account of an approved leave recipient. This recipient is not my immediate supervisor. As of the date indicated below, I have enough annual leave in my account to cover this amount. I understand that if I am projected to forfeit annual leave during this leave year, the amount of leave I am transferring may not exceed the number of hours remaining in the leave year for which I am scheduled to work. The amount of annual leave I am transferring also is not more than half the hours I will earn this year.

I understand that my decision to transfer leave is not revocable. If a sufficient balance of unused donated leave remains after the recipient's medical emergency has terminated, I can elect to have a pro-rated share returned to me during either the current leave year or the following leave year, or I can elect to donate my pro-rated share to another leave recipient. However, to do so, I must remain employed by a Federal agency and be subject to chapter 63 of title 5, United States Code. I have not been directly or indirectly intimidated, threatened or coerced, or promised any benefit by any employee for the purpose of donating or using leave.
